

# DORMAN INFOTAINMENT MODULES

## RELIABLE RESTORED REPLACEMENTS.

Don't send your customers back to the dealership to replace a malfunctioning infotainment module. These modules are remanufactured at an advanced facility in the United States, providing a cost-effective, seamless replacement with all the same functionality as the original equipment.

## REDONE RIGHT FOR LESS

**Restored in USA** – thoroughly refreshed at an advanced facility in the United States

**Ideal solution** – retains original look, feel and functionality for seamless repair that retains vehicle resale value

**Cost-effective fix** – OE reman quality at 15 percent lower cost on average

**No downtime** – units ship with pre-paid shipping label for easy core returns

**Limited lifetime warranty**
